occasions to have the Bailie's stay with us. Trevor and Linly recently made their annual trek here to Manuel Antonio all the way from Canada, never come empty handed and always ask what more can be done.

On this particular trip they brought oodles of school supplies and donated them to the teachers and children of Escuela el Estadio. What joy to see all those appreciative smiling faces!

The Bailie's hearts are truly invested in multiple aspects of our Canton. They are and have been supporters of our many

local causes such as bringing school supplies, donating funds toward the construction of the PAWS animal shelter, the toy drive and countless other organizations. They genuinely care, always ask many questions and offer their time and financial support.

We applaud them and are proud to call them our "friends."

*Toy Drive for the Children of our Canton*

La Mansion Inn is proud to be teaming up with the Aguirre Chamber of Commerce and our Mayor by donating toys and also providing our hotel as a drop off location for toys

for the children in need right here in our Canton.

If anyone is interested in donating on a local level or from abroad, please know that you can do it at LMI or through the Chamber of Commerce. We thank you in advance on behalf of La Mansion Inn and please know that you've made a child's Christmas that much better!

La Mansion Inn realizes how important it is to give back to your community and those who have less

We are often asked "how can I help" from our guests. In addition to our optional Dollar per Night program, we will be highlighting at least one organization in every newsletter and will provide information on how you may donate time or finances.

Stay tuned for our next newsletter to see the recap for 2010 and just how generous our La Mansion Inn Guests and Friends are!
